

The HEVIS Center Portfolio

Introduction

The HEVIS Center, located in Nairobi, Kenya, is a transformative institution dedicated to supporting children with visual and auditory impairments. Since its establishment in 2018, the center has become a beacon of hope, providing specialized education, vocational training, and fostering a sense of inclusivity and empowerment for students and the surrounding community.

Vision and Mission

Vision: To create an inclusive society where children with disabilities can achieve their fullest potential.

Mission: To provide specialized education, employment opportunities, and drive social change for individuals with visual and auditory impairments, while uplifting the local community.

Founding Story

In 2018, the HEVIS Center was founded by a group of educators and community leaders who recognized the urgent need for specialized education for children with disabilities in Nairobi's underserved areas.

Programs and Services

1. Specialized Education
2. Vocational Training
3. Transportation Services
4. Community Outreach

The HEVIS Center Portfolio
