HEVIS

Mission & Vision

Through **Education**, **Employment**, and **Social Change** HEVIS will some day serve tens of thousands of people who have passions, interests, and problems just like everyone else.

These people, mostly children, just happen to have a disability and live extremely poor.

Education

Providing valuable education will not only change the life of the student but the whole family will develop and grow as a unit for generations.

Employment

Build employment opportunities for graduating students and their families will motivate and enable families to solve the problems of extreme poverty.

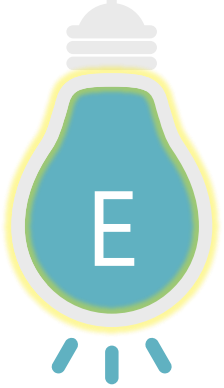

Social Change

Through socially responsible programs, the perspectives of clergy, officials, and the general public will evolve and improve to accept and rebuild connections with those who have a disability in their communities and family.

EDUCATION

Mission & Vision

Start in the Center

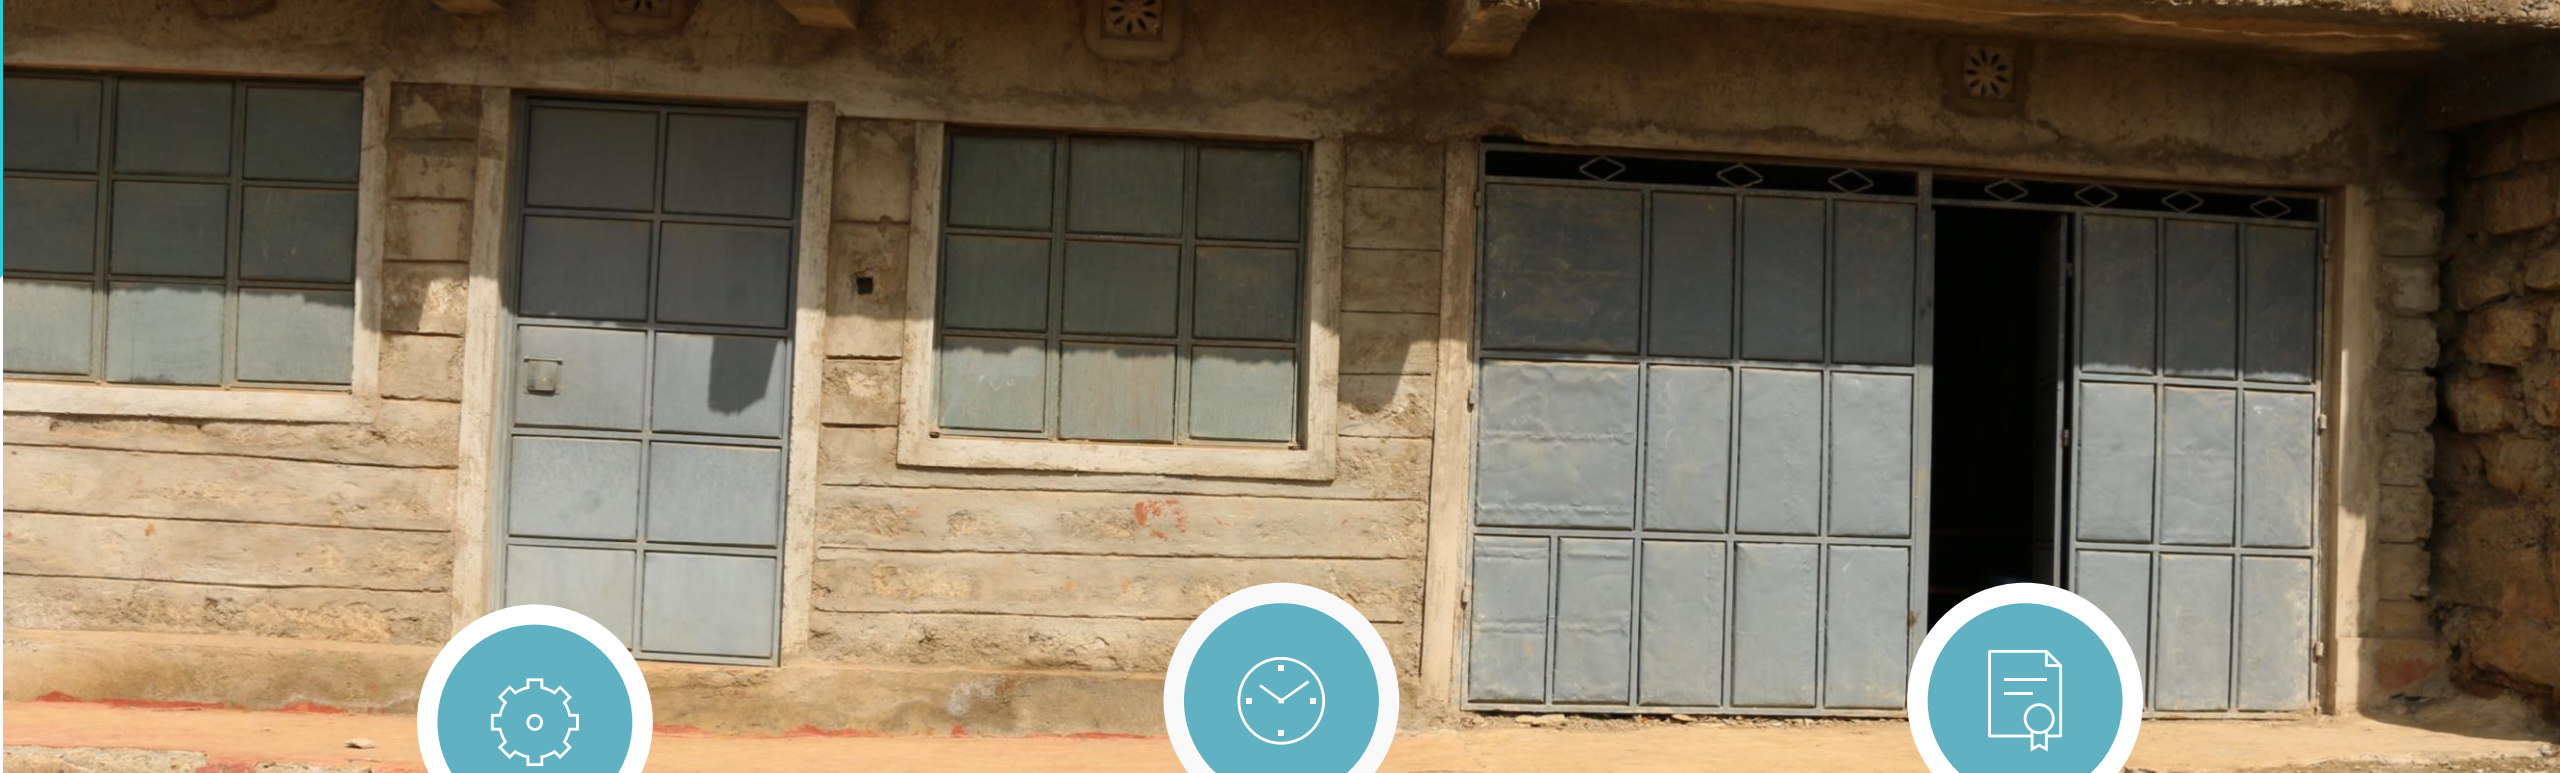

HEVIS is striving to be a beacon of hope for those with a disability. Despite the challenges, the center will some day provide a rich and complete education for people with a disability.

Centers of Excellence

Measurement is critical to our models in education. With support from families, specialists, and organizations around the world we will thrive and become the model for Africa.

Accelerate, Support, and Expand

Work and more work is needed by everyone involved in HEVIS. Teamwork has and will continue to be critical in our educational programs for students and families.

Start at the Beginning

Students today attend HEVIS for the Deaf & Blind, often for the first time in their lives. Gaining friends, stability, and knowledge through measured STEM Programs that are introduced in the U.K. style curriculum.

Short & Long Term Goals

- Consistent students and educators
- Defined Measurements for each subject
- Education emphasis towards employment
- Primary, Secondary, and University Programs
- Adult and Continued Education in the community

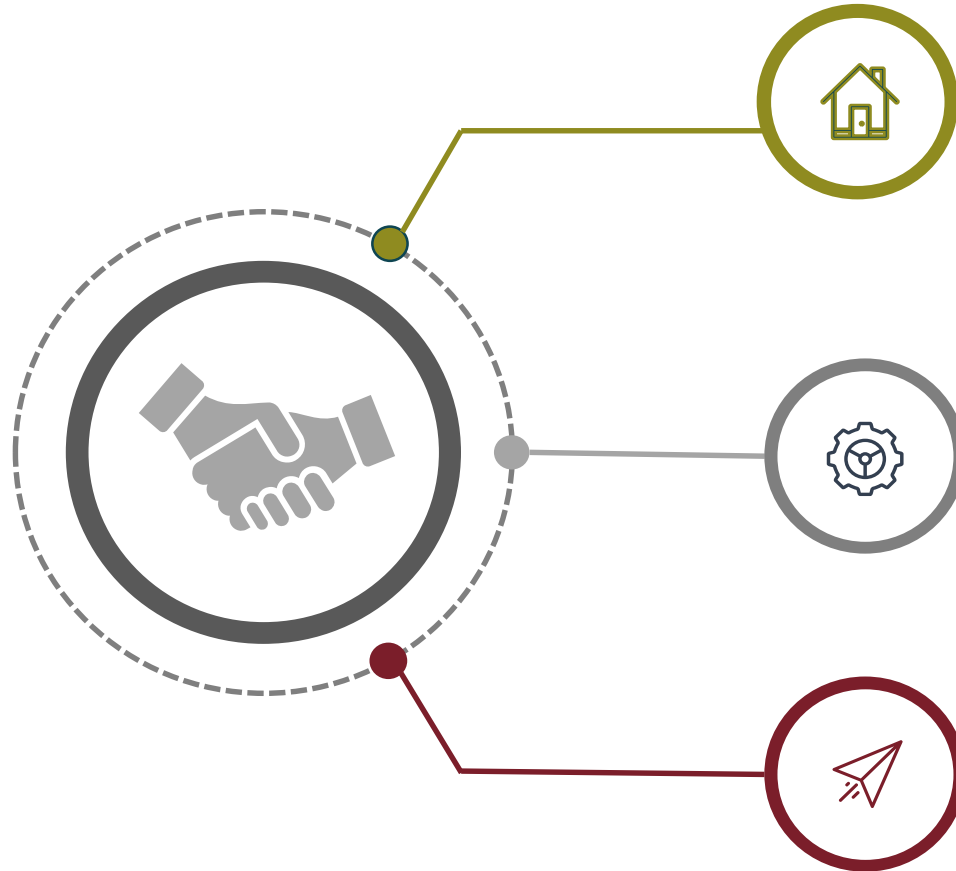

Centers of Excellence

Standing on decades of experience and knowledge from similar programs in other countries will shine a light on how we adjust and improve each class, program, and goal.

Employment

Mission & Vision

Job Training and Resource Center

HEVIS has specific needs today such as mechanics, drivers, maintenance, and more to ensure that the education center is running properly. It also will serve in the community as a CBO for job skills training and continued education for the local workforce.

Industry

HEVIS Employment Center is focusing on today's needs for the student body. Deaf and Blind children have specific skills and abilities such as computer science, manufacturing, and agriculture.

Innovation

Employment also see opportunities in construction, infrastructure, and real estate that challenges the status quo in slums throughout Nairobi.

HEVIS

Transportation Services

Starting in 2018, HEVIS provides school transportation for all of its students living in 5 slums near the school.

Service Offering:

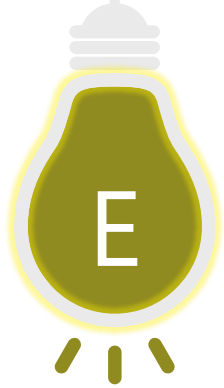

- Logistics
- Taxi Service
- Safari and NGO Partnerships
- US Education Projects

Social Change

Mission & Vision

Grass Roots & Community Focused

Simply, we aim to change the hearts and minds of the communities we serve through giving. We will open our doors to jobs, job training, community projects, entertainment, and more.

Government Engagement

We engage local leaders, forums, and sponsor projects to involve political leaders in communities we serve. New programs, social acceptance, and education will inform and change laws, policy, and programs.

Social Media Campaign

Electronic formats for social awareness, community projects, local response, and public education have already been started. We strongly engage contacts through our programs in education and employment.

We can do it together!

HEVIS

Mission & Vision

- Educating orphaned, deaf, and blind children in the slums of Nairobi Kenya and beyond.
- Employing those students/families and local communities' interests in our vision to bring about major change in Nairobi.
- Community Center to challenge social stigmas, reverse religious persecution, and erase destructive ideas around people with disabilities.
